THE STETSON SEAL

The seal of Stetson is representative of the school. It was adopted by the school in 1889. The Latin motto, "Pro Deo et Veritate," is translated, "For God and Truth." The lamp, signifying the light of truth, rests on the book of knowledge.

THE STETSON COLORS

Stetson's colors of green and white have a deep meaning. The green signifies growth and the white represents purity. These colors were chosen from the Orange tree and they have been a symbol of the school since 1901.

ALMA MATER

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear!

Hail to the heroes who have gone before us,
Young men and maidens, filled with true devotion!
Bright in their glory, fadeless and undying,
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus,
Long live our comrades dear!

Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus;
Hail, Alma Mater dear!

ORIENTATION COMMITTEE

Dear Incoming Student,

On behalf of the Orientation Committee we welcome you as new members of the student body. Upon your arrival on campus, we will serve as your official host and hostess and, as such, we are both most anxious to help you become acquainted with the personal contacts encouraged at Stetson. We trust that you will find not only people willing to help you but, more important, people wanting to greet you as friends.

The schedule of Orientation events is included in this booklet. In order to have an idea of our plans, please familiarize yourself with the program so that in the general meeting we can answer any questions you might have. While reading the Orientation schedule, keep in mind that your Orientation can be most beneficial when you attend all activities. This provides the opportunity for the Stetson community to get to know you, and hence, for you to meet them.

We are providing the opportunity, but you must provide the enjoyment. True enjoyment comes from activity of the mind and exercise of the body . . . both mind and body are under your control, so make Orientation a success!

UNIVERSITY AND STUDENT JUDICIARY COUNCILS

STUDENT CONDUCT

The University expects that each student has the responsibility to conduct himself in a manner which does not hinder the rights and privileges of other members of the Stetson community. Committees including students, faculty and administration are charged with the responsibility of establishing University standards. Students who enroll at Stetson University should become very familiar with this section of *The Compass*, as they will be responsible for the information as set forth by the Student Judiciary Councils concerning student conduct.

Since a student's behavior both on and off campus reflects on the entire University, the councils maintain the right to adjudicate cases whenever necessary.

Ultimately, the Student Judiciary Councils and the student-faculty-administration disciplinary sub-committee of the Student Affairs Committee must determine what conduct is appropriate for a member of the Stetson community.

ALCOHOL

Stetson University does not condone the use of alcoholic beverages. The Student Judiciary Councils will adjudicate cases involving the use of said beverages in or around the public areas of the University or at University functions.

The Councils will also adjudicate cases involving violations of the Florida Statutes and the Student Code of Conduct.

Since the University administration does not condone the use of alcoholic beverages by any member of the University community, appropriate steps may be taken whenever this principle is violated.

DRUGS

Any student involved in the illegal manufacture, sale, possession, or use of narcotics, marijuana, hypnotics, sedatives, tranquilizers, stimulants, hallucinogens, or other similar known harmful or habit-forming drugs and/or chemicals is subject to dismissal from the University.

PERSONAL INTEGRITY

The personal integrity of a student is held in highest regard at Stetson. Any student who, through acts of dishonesty or falsification of information or perjury, demonstrates that he cannot live up to this ideal will be liable to suspension.

THEFT

Any student convicted of theft will be subject to suspension from the University.

Friday: 4:00 p.m. - 1:00 a.m. Sunday: 1:00 p.m. - 6:00 p.m.
Sat: 1:00 p.m. - 6:00 p.m.
8:00 p.m. - 1:00 a.m.

OFF-CAMPUS LIVING

Off-campus living is permissible for any student twenty-one years of age or older not on social probation.

MARRIAGE

A student who changes his status through marriage is required to notify the appropriate student dean in personal conference prior to the wedding.

SMOKING

Smoking is prohibited in certain academic buildings and in the parlors of women's residence halls because of fire insurance regulations.

RESIDENCE HALL VISITATION

Visitation is permitted in residence hall lounges. Hours in women's halls are:

10:00 a.m. to 11:00 p.m. Sunday - Thursday

10:00 a.m. to 12:30 a.m. Friday and Saturday

Hours for visitation in men's buildings are posted on the bulletin boards in each building. *open door - supervised*

NOTICE TO PARENTS

When a student is involved in serious difficulty, academic, financial, social or otherwise, the University may notify his parents or guardian. Parents are notified in cases of suspension or dismissal.

EMPHASIS PROGRAMS

Some of the most active SG Committees are listed below. Anyone interested in working on any of these is asked to get in touch with the Student Government office in the CUB or with the committee chairman.

GREEN FEATHER COMMITTEE plans Stetson's annual, campus-wide charity campaign, the proceeds of which are contributed to the United Fund and thus divided among worthy national and local charities. The Green Feather weekend includes a carnival and the Miss Hatter Beauty Contest. Organizations sponsor booths for the carnival.

HOMECOMING COMMITTEE arranges for Stetson's annual homecoming. This weekend includes parties, open houses in the dorms, Panhellenic Building and fraternity houses, a concert, a parade and various sports activities.

MEN'S JUDICIARY COUNCIL

The Men's Council serves as a link between University Administration and the men students. Any male student's violation of University and Student Judicial Regulations will be brought before the Men's Council for decision of penalty. The penalty derived needs approval from the Disciplinary Sub-Committee but can only be changed by the President of the University. The Council tries to develop a sense of responsibility and high standards of conduct in each Stetson man as a corollary to its governmental functions.

Twelve representatives of the men students of Stetson University sit on Men's Council. Elections to the Council are every Spring under the rules of the Council Constitution: no more than three members of any social fraternity may be members of the Men's Council at one time.

Members of the Council for 1970-71 are as follows:

President	George Hanlon
Vice President	Bill Bruce
Secretary	Max Ziontz
Senior Representatives	Larry Densmore,
	Gerry Reiley, Gary Smith, Dave Williams,
	Steve Woods

Sophomore Representatives	Rick Harwood,
	Scott Kirk, Randy Klein

ASSOCIATED WOMEN STUDENTS

The Associated Women Student's function is to provide a means for Stetson women to govern themselves. The major purpose of the AWS is to serve as an agency to promote character development and to aid the women of Stetson University in becoming responsible individuals who will be able and willing to meet the conflicts and challenges of their society. The Judicial Council has the function to enact and legislate social regulations. Appearance before Judicial Council is mandatory.

No penalty is ever given by the Council without due consideration of the violation, its seriousness, and the individual involved. The integrity of each woman is unquestioned unless she herself gives rise to doubt. A woman is notified in writing of her appearance before Council. She has the right and duty to refer her case back to the Council if she feels the penalty to be unjustified.

Another important function of AWS is to provide an Interest Board which coordinates the function of the Women's Service Club and the Fashion Board. The AWS through this Board also provides programs of particular interest to women students.

Listed below are regulations which pertain to residence hall women.

I. Closing hours for women's residence halls:

	(Sunday through Tuesday)	(Friday, Saturday)
a. freshmen	11:30 p.m.	1:00 a.m.
b. sophomores	11:30 p.m.	1:00 a.m.
c. juniors	11:30 p.m.	1:00 a.m.
d. seniors	11:30 p.m.	1:00 a.m.

II. Honor Keys:

As an expression of the faith which AWS has in the willingness of Stetson University women to assume increased responsibility for their conduct, senior, junior and sophomore women are granted the privilege of using the residence hall honor keys for special occasions which necessitate their coming in after the building is closed. Seniors and Juniors have unlimited key privileges. Sophomores have two key privileges a week.

Qualifications for the senior key: Any girl who starts her fourth academic year.

Qualifications for the sophomore key are: Any girl who starts her second academic year.

A woman who has achieved junior and senior status by hour accumulations before her respective year may apply to Judicial Council for further extension of her key privilege.

All keys must be checked out at desk before residence hall closes. It is necessary to sign out destination, expected time of return, and actual time of return on key card.

Abuses of the key privilege which are subject to investigation and penalty by the Judicial Council are:

1. Loss of key is a serious offense because it endangers the safety of each woman in the residence hall, and this loss is subject to revocation of the key privilege and/or monetary fine.

2. All keys must be checked in by 8:00 a.m. Failure to do so may result in revocation of key privilege.

3. No woman may allow another person to enter the residence hall on her key nor may she give her key to anyone else. (Special permission may be granted for out-of-town guests by the residence hall president.

III. Off-campus and over night permissions:

Off-campus —

Seniors: Sign out at residence hall desk on PINK cards, giving destination and time of return.

Juniors and Sophomores: Sign out when going home on the YELLOW Cards "AWS." If going to other destination other than home, sign out with Head Resident.

Freshmen: Sign out for ALL overnights on YELLOW card with Head Resident.

NOTE: ALL women are required to sign out for holidays. All women sign out on WHITE cards if spending the night in another residence hall, the INFIRMARY OR PANHELLENIC building. Cards must be signed by HEAD RESIDENT.

First semester freshmen who will be out of the residence hall after 8:30 p.m., sign out on their WHITE permission cards, giving destination and time of return.

INTERCOLLEGIATE SPORTS

MEN'S INTRAMURALS

Stetson's physical education department and the Intramural Board provide a varied intramural sport program for all men desiring to participate. Teams are entered by the Greek fraternities and by the independent Men's Organization. A wide range of sports including football, basketball, baseball, tennis, golf, badminton, volleyball, bowling, table tennis, paddleball, riflery, cross-country, and horseshoes is played. Points are awarded in each sport and the organization accumulating the greatest number of points throughout the year is awarded the President's Cup. Any team winning three years in a row retires the trophy. Other awards are the Achievement Trophy to the team showing the greatest improvement during the year, and the Intramural Athlete of the Year Award presented to the individual who wins the most number of points during the year.

Athletic events are conducted by round robin, elimination, and double elimination tournaments depending on the sport. Points are awarded to teams placing first, second and third. In case of a tie, play-offs are set up.

For other information concerning intramurals, contact Coach Weickel in Hulley Gym, or see the intramural bulletin board.

WOMEN'S INTRAMURALS

The program for women is similar to that provided for the men. Under the direction of the Women's Intramural Board a varied program of sports is planned. Teams are sponsored by the sororities, the dormitories, and any other organizations wishing to participate. These groups compete in volleyball, basketball, softball, tennis, badminton, shuffleboard, table tennis, and archery, vying for the Intramural Trophy which is presented to the team winning the greatest number of points throughout the season. Also, a Participation Trophy is given for the highest percentage of participation within one group. Outstanding players are chosen "Rookie of the Year," and "Athlete of the Year." The rules for awarding points are the same as those governing men's intramurals.

RELIGIOUS LIFE

Our University was founded by men and women of strong religious faith and is dedicated to the principles of Christian education. Stetson strives unceasingly to develop a community which encourages and supports the deepening of each individual's Christian faith.

Chapel services are conducted on a voluntary basis every Wednesday at 10:00 a.m. Speakers for these services are selected from those serving as pastors, leaders of other institutions, and members of the faculty of Stetson University. This time of worship within the campus community is a part of the University's Christian witness and is designed to encourage the student's spiritual growth.

Interdenominational vespers are held each Tuesday and Thursday at 6:30 p.m. in Allen Hall. These devotional services are planned by a student committee of the Baptist Student Union. You are invited and encouraged to attend.
